Dear Lofgren Tenant,

SupraNet Communications, Inc. is proud to be your Internet Service Provider!

You do not need a username or password to connect to SupraNet's network from your apartment building.

Lofgren currently offers wired Internet service to their tenants.

Wired Internet Access:

You can access your wired Internet by connecting an Ethernet cable from your computer or router to the wired jack in your apartment.

If you have further questions, please contact the SupraNet Support Line at **608-237-6152**.

We appreciate your business!

Sincerely,

SupraNet Communications, Inc.
